

**Invite you to the conference  
Structural Funds in Romania 2007-2013 (4<sup>th</sup> edition)**

**In this seminar we will provide the participants with a CD with application guides and practical information for the application.**

Romania joined the European Union in January 2007. Romania gets 30 billion Euro support in the in the period from 2007-2013. The subventions will be used for agriculture, food industry, transport infrastructure, infrastructure, environmental projects, energy projects, waste treatment and waste collection, water treatment, sewers, water gaining, consultancy, construction, roads, technical equipment, specialized service's for SME' s, modernization of industrial companies, purchase of machines and production lines, technology parks, scientific parks, incubation centers and logistical parks, tourism and renovation of existing buildings and infrastructure.

**Today the application guides are available for many of the above topics.** This conference offers a manual to future investors in different sectors and the way they can access the structural funds. We offer content and practical information. The seminar is in English and it is free of charge:
